The Porsche 993 is the internal designation for the Porsche 911 model manufactured and sold between January 1994 and early 1998 (model years 1995–1998 in the United States), replacing the 964. Its discontinuation marked the end of air-cooled Porsches. The 993 was much improved over, and quite different from its predecessor. According to Porsche, every part of the car was designed from the ... Welcome to our Porsche 993 and 964 Technical Articles section.
