

Download Violence Evolving The Physiology Psychology Of Violence

A coherent psychoanalytic theory of violence has been hindered by the very few psychoanalysts who have actually worked with violent patients, by political allegiance to certain psychoanalytic schools of thought, a naïve belief that all violence is typically not intentional, but rather a problem of impulse control, and the lack of understanding of recent neurobiological findings concerning ...This brief review summarizes the basic epidemiology of firearm violence, a large and costly public health problem in the United States for which the mortality rate has remained unchanged for more than a decade. It presents findings for the present in light of recent trends. Risk for firearm violence varies substantially across demographic subsets of the population and between states in ...Study.com has been an NCCRS member since October 2016.
